

Effective Key Working

Developing and operating an effective key worker system within day care services

Overview

The aims of this session are:

- To ensure that staff are aware of their role and responsibility as key workers and what this means in practice
- How to develop best practice with regard to relationships between parents, children and staff

Who is it for?

This session is aimed at all staff working in the Early Years Foundation Stage (EYFS)

Outcomes

By the end of this session participants will:

- Be able to identify the main duties of a key worker
- Understand how the key worker role fits with the EYFS and what settings' obligations are under this framework
- Understand the importance that the key worker role plays in developing children's confidence, self image and self esteem
- Recognise the importance of emotional intelligence and how the key worker role impacts on this
- Develop ideas about the powerful relationship between parents and key worker
- Understand the challenges in operating an effective system and develop action plans to deal with them

Format

This is a full day workshop
