

## Finders, keepers

Strategies to help you retain good staff

### Overview

Having good staff is crucial to the success of your business. You invest in them and gain an income from their performance. Yet unlike other business assets, they increase in value. The workshop will look at strategies you can employ – no matter what your resources are – to make sure you don't let them go!

### Who is it for?

Owners, managers and supervisors.

### Outcomes

At the end of the workshop participants will:

- understand the costs to their business of losing staff
- have strategies that they can use to ensure that they retain their most valuable assets

### Format

This is a half-day (three-hour) workshop.
