

I'm only a committee member! The legal status of the VMC

Overview

To enable participants to understand the organisational structure in which they operate and to gain information to seek an alternative status, where appropriate

Who is it for?

This will be of particular interest to groups that are run as unincorporated associations as it will deal with issues of liability and potential conversion to incorporated status. It will also be useful for advisers and development officers, and those seeking to set up voluntary run provision, such as head teachers of extended schools

Outcomes

By the end of the session participants will:

- Understand the advantages and disadvantages of the structure in which they operate
- Recognise the issues raised by incorporated/unincorporated status
- Know where to get further help and support

Length of session

This session is designed to take 1½ hours
