

But we must have a policy for that! Putting policies into practice for VMCs

Overview

To help VMC members understand their role in policy development and to ensure that policies are put into practice

Who is it for?

Members of VMCs and those who advise them. Staff team members may also benefit from attending this session.

Outcomes

By the end of the session participants will:

- Understand the reason for policy development
- Recognise the role of the VMC in policy development
- Encourage the involvement of the staff team in policy development
- Ensure that policy is communicated and evaluated

Length of session

This session is designed to take 1½ hours
