

Strong Foundations Developing the Early Education Curriculum

Overview

The aim of the session is to develop a creative and innovative curriculum to develop early learning and respect children's learning needs

Who is it for?

Anyone working within the Foundation Stage Curriculum in day care

Outcomes

By the end of the session participants will:

- Start from children's interests and develop learning projects to reflect this
- Understand resources and materials to foster independence and self confidence
- Be able to use effective observation, assessment and documentation
- Understand the importance of the relationship between indoor and outdoor learning
- Identify children's learning styles and how best to support this in a group setting
- Be able to use useful learning and teaching strategies

Format

This is a full day workshop
